At Emeryville Animal Hospital, we know that the animals who share your home are more than just pets. The animals in our lives are friends, companions, and family members. We feel that is how they should be treated. At Emeryville Animal Hospital we strive to provide your pets with care that rivals the best human hospitals.

Meet Our Doctors

Dr. Debbie Godfrey, co-owner, is a 1985 Ontario Veterinary College graduate. She is the founder of Emeryville Animal Hospital which opened in 1992. Her interests lie in a holistic approach to pet care, internal medicine, and soft tissue surgery.

Dr. Susan Donatelli, co-owner, is a 2004 Ontario Veterinary College graduate. Her interests lie in dermatology, internal medicine, and parasitology.

Dr. Melanie Grant, co-owner, is a 2002 Ontario Veterinary College graduate. In addition to treating dogs and cats, she treats exotic pets and birds. Dr. Grant also performs the ultrasound procedures in our hospital.

Dr. Gwen Jeun is a 1997 Ontario Veterinary College graduate. Along with small animal and exotic medicine, her special interests include animal behaviour and acupuncture treatments.

Dr. Chuck Fuerth is a 1989 Ontario Veterinary College graduate. He has practiced as a small animal veterinarian in Windsor and the metro Detroit area. He is also a full-time instructor at St. Clair College in the Veterinary Technician Program.

Dr. Nicole Drca is a 2020 Michigan State University graduate. She is Fear-Free Certified and strives to make vet visits a good experience for everyone.

Did you Know?

- Our highly skilled **Registered Veterinary Technicians** are available for nutritional consults on a range of topics including puppy and kitten, adult maintenance, senior, and specific medical conditions.
- Many classes are offered by our own obedience trainers. They teach beginner and advanced obedience, puppy socialization, and sport and agility training. Training can be done in a group or in a one-on-one setting.
- We offer custom grooming including puppy clips, clip downs, and routine breed or show clips by certified dog groomers. Brush-outs and lion cuts are offered for cat grooms.
- Boarding is available in clean, air-conditioned cages and runs. All pets are housed separately. Dogs are walked four times a day in our spacious outdoor fenced lot.
- Our large, private dog park is available for a small annual fee to current clients with dogs up-to-date on vaccination and parasite testing, during our business hours.
